We wish you a Happy and Healthy Christmas

Perfect Gym Our new software system commences this month.

In anticipation of the opening of the new Trackside we are upgrading our software system and changing our debit company.

The new software will enable you to access your membership details and make payments through a member portal. You will also be able to put your own membership into suspension rather than having to go to the hassle of contacting us.

Our new billing company is Integra Pay and they are amongst the biggest and most trustworthy worldwide. From now on you will see payments for your membership marked as "IPay ReCreationhc".

The good news is that they can process the transaction for \$150 rather than \$195 and this saving will be passed onto you. Your membership fees remain the same.

New Suspension System NOW ACTIVE

"Perfect Gym" manages suspensions differently. Rather than a flat fee of \$11 as we have now the new system will charge a nominal fee of \$5 per fortnight. You can suspend for a minimum of 2 weeks with an unlimited maximum. The portal will be active soon but in the meantime please request suspensions in the same way by emailing us at trackside@recreationhealthclubs.com.au or by filling out the suspension form at reception.

Remember all Christmas holiday suspensions must be in by Wednesday 20th December.

Reduce paper waste. Email your feedback

Thankyou to all those who have been using the new email feedback system rather than the paper notes. Your feedback goes straight to Joanne's email so you can be sure that it is taken seriously
